THE ICC DECISION

# Where do we go from here?

The ICC's controversial decision determining that the Court has jurisdiction over the "situation in Palestine" has raised major concerns.

What was decided by the Court?

What is so controversial about it and why?

What are the main talking points?

What's next and what can be done?

**Please join our esteemed group of experts to learn all you can about this important development:**

Thursday February 11, 2021

7pm Israel / 12pm Eastern Time / 9am Pacific Time
